HOUSE OF SAVORY always treats our valued members with fabulous offers at our different restaurant brands all with one member card.

2017 is the 38th Anniversary of The Spaghetti House, we especially combined gourmet food with art to celebrate the event. We collaborated with the renowned Australian painter Nurgle to compile a collectable TASTE OF ART album of his classical The Spaghetti House theme of applying spaghetti and pizza elements to art works. We sincerely invite you to embark on the journey of gourmet and art with our delicacies and relive the classical heritage of The Spaghetti House.
